WELCOME...

...to the St. Louis Camp Meeting. We are attempting to provide all the information you will need for your participation in one of the greatest camp meetings in the Church of God.

If you have questions or suggestions, please contact the person responsible for your area of interest.

The section on Camp Administrative Policy is on page 4 of this program. Please read carefully and observe it to help us make this Camp Meeting a beautiful and successful experience.

EVENING CHILDCARE FOR 2023

Babysitting services during the evening services (Friday through Thursday) will be available for children ages 0 - 5 in the preschool building for a fee of \$2 per child/per evening. We cannot change diapers because we don't have the facilities to safely do so. Parents will be texted to come and change diapers. Please dress children appropriately, they will play outside. Plan to drop off your children no earlier than 15 minutes before service and pick them up no later than 15 minutes following service.

MEDICAL SERVICES

The Camp DOES NOT provide medical services to those attending the camp meeting but we have several individuals that can provide first aid if needed. 911 is always your best bet in the case of a medical emergency.

MEDICAL INSURANCE COVERAGE

The camp DOES NOT provide camper medical payment insurance. Campers are expected to carry their own accident and health insurance.

SPECIAL NOTE...

The CHRISTIAN WOMEN CONNECTION invite you to stop by for a visit, a glass of ice water, or a chair to sit down in air-conditioned comfort. Sale items including baked goods, fresh vegetables, crafts, and homemade items will be available.

CAMP ADMINISTRATIVE POLICY

REGISTRATION AND INFORMATION

Upon arrival, everyone should go to the Registration office and register. **All campers** (trailers, tents, cottages, cabins, and dorms) **must register** before camping. Information and mail service will be handled at the Registration Building.

VEHICLE REGULATIONS

Motorcycles, bicycles, mopeds, cars, trucks, golf carts, and all motorized vehicles shall be restricted to roadways and driven at a **maximum of 5mph**. Designated Handicap areas for parking are to be observed and obeyed. Only one vehicle may be parked on your campsite. There are designated parking areas for all other vehicles.

RULES OF CONDUCT

- The use of tobacco, marijuana, vaping, alcoholic beverages, illegal drugs, promiscuous sex, profanity, and distribution of any literature (not approved by the Board of Directors) is strictly forbidden.
- No unauthorized sales of merchandise on the grounds without approval from the Board of Directors.
- Any property defaced or destroyed will be charged to those doing same and/or their chaperone.

REGULATIONS CONCERNING DRESS CODE- OBSERVANCE OF QUIET HOUR

Rules and regulations are meaningless unless those to whom the rules and regulations apply abide by them. Thus, this is an appeal to every camper, adult and youth, who will be attending the St. Louis Camp Meeting, to consider these rules concerning dress and quiet time and govern their actions by same.

DRESS: In as much as this is a Christian camp, all persons should be appropriately dressed as becomes a Christian. Shirts and footwear in buildings are required and no short shorts allowed. (Short Shorts: Arms at your side. Hands pointing to the ground. Anything above your fingertips are short shorts!)

QUIET HOUR: 11:00 p.m. Everyone should respect the desires of others to have quiet for sleeping at this hour and restrict their activities after this hour. At midnight the grounds will be secured.

REGULATIONS CONCERNING CHAPERONES

- Each youth/minor staying on the grounds must register at the Registration Window along with chaperone. The adult chaperones must be on the grounds as long as the minor is present.
- The chaperone must be approved by the local church and/or the campground manager. This person shall be responsible for the actions of those in his/her charge.
- All young people under 18 yrs. of age must sleep in the same immediate area as their chaperone, be it at a camp site, in a dorm, cottage, or cabin.
- The chaperone must complete and sign the "Chaperone's Covenant" to be placed on file at the Registration Office.

CAMP FIRES

- Camp fires at the sites will be allowed this year, **with burning wood ONLY, no trash!** Think of your neighbors-be considerate in the placement of your fire site. Fire rings can be requested at registration.

BICYCLE, TRICYCLES, UNICYCLES, SKATEBOARDS AND LONG BOARD GUIDELINES

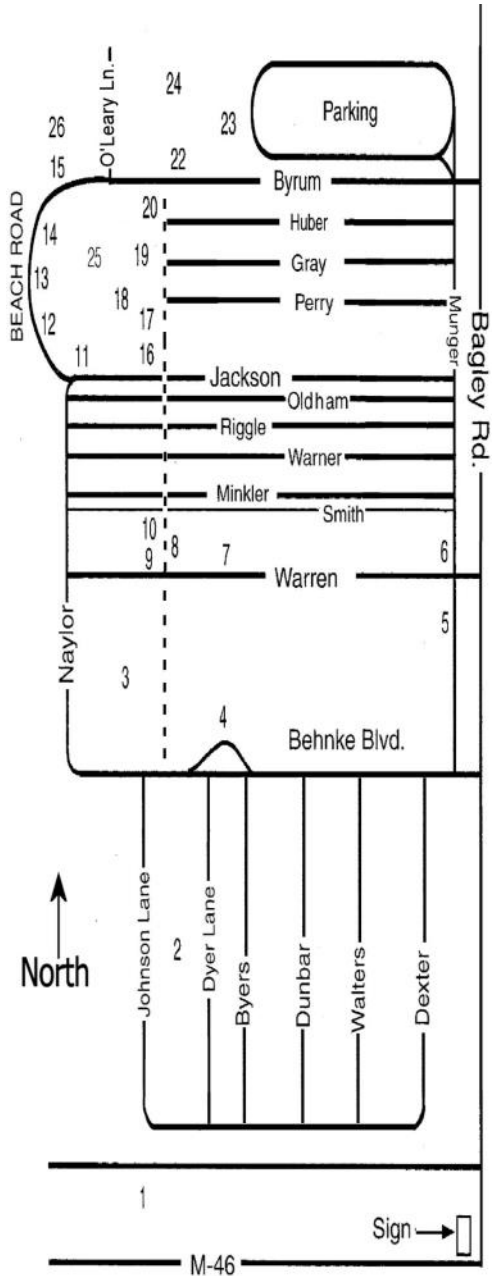

- Bicycles, tricycles, unicycles, skateboards, and long boards may only be ridden on camp roadways, and on the sidewalks north of the lacing tables and must obey all signs and speed limits posted on the grounds.
- The above vehicles are not allowed on sidewalks, in children's area, or the prayer garden.
- Do not block access to any building such as the restrooms.
- They must be locked/on a camper's lot when not being ridden.
- St. Louis Campgrounds is not liable for any injury involving a bicycle, tricycle, unicycle, skateboard, or long board or for loss of property.
- St. Louis Campgrounds is asking parents or guardians to be responsible for enforcing these guidelines. If the campground needs to step in, there will be a verbal warning for the first incident. If more warnings are required you may be asked to remove the tricycle, bicycle, unicycle, skateboard, or long board from the grounds.

PET POLICY

- Anyone having pets must register them when checking in and agree to adhere to the following pet policy statement.
- There is a maximum of 2 pets per campsite.
- All pets must be kept in the trailer when no one is at the campsite.
- There will be a designated pet walking area on both the north and south side of the campground.
- **Owners are responsible** for cleaning up after their pets.
- All pets must have a collar and be on a 6' leash when outside of the trailer.
- All pets must be up to date on all their shots and have tags.
- Owners are expected to keep control of their pets. If there is excessive noise or aggressive behavior by the pet, the owner will be asked to remove their pet from the premises immediately. The owner may return to camp, but the pet will no longer be allowed to stay.
