From the Board of Directors

We are so thankful for a
great 2024 camping year.
Thank you all who came out
during the year and helped
with multiple jobs. We could
not have had such a
successful year without you!

Ways To Help

Attached is a list of work that we need
help with. If you are able to do any of
these things, please call us at 989-
681-2581.

You can also provide year-end giving
using the QR code on the next page or
send checks to the campground
before December 31.

Dear St. Louis Church of God Campground Family,

I am writing to you with an end-of-the-year donation opportunity for the St. Louis Church of God Campground. The St. Louis Church of God Campground needs your support. The purpose of St. Louis Church of God Campground is to serve God, the church, and the community.

Our goal is to complete a number of repairs that need to be made at the Campground in order to continue this ministry: the Old Tabernacle has urgent roof repairs that need to be completed in order to preserve the building, failing and/or nonfunctioning furnaces and A/C units that need replacement, and our current electrical system that needs to be updated to ensure efficiency and safety. We couldn't do the work that we do without the generous support of donors like you, which is why I am reaching out. As always, all donations are tax-deductible. If you are giving specifically towards the Old Tabernacle Renovation, please specify that on your check. All other donations will go to the general fund of the campground.

Your support means so much to us. We hope you agree that by supporting our cause with a donation, we can continue our mission. If you would like to participate as a donor, please send checks or money orders to our address, 8489 North Bagley Road St. Louis, MI 48880, or scan the QR code at the bottom.

We thank you for your ongoing support and look forward to completing the repairs soon. If you are unable to support us financially we ask you also help us by continuing to pray for this mission field.

God Bless,

Tom Dunbar
